MCCORMICK

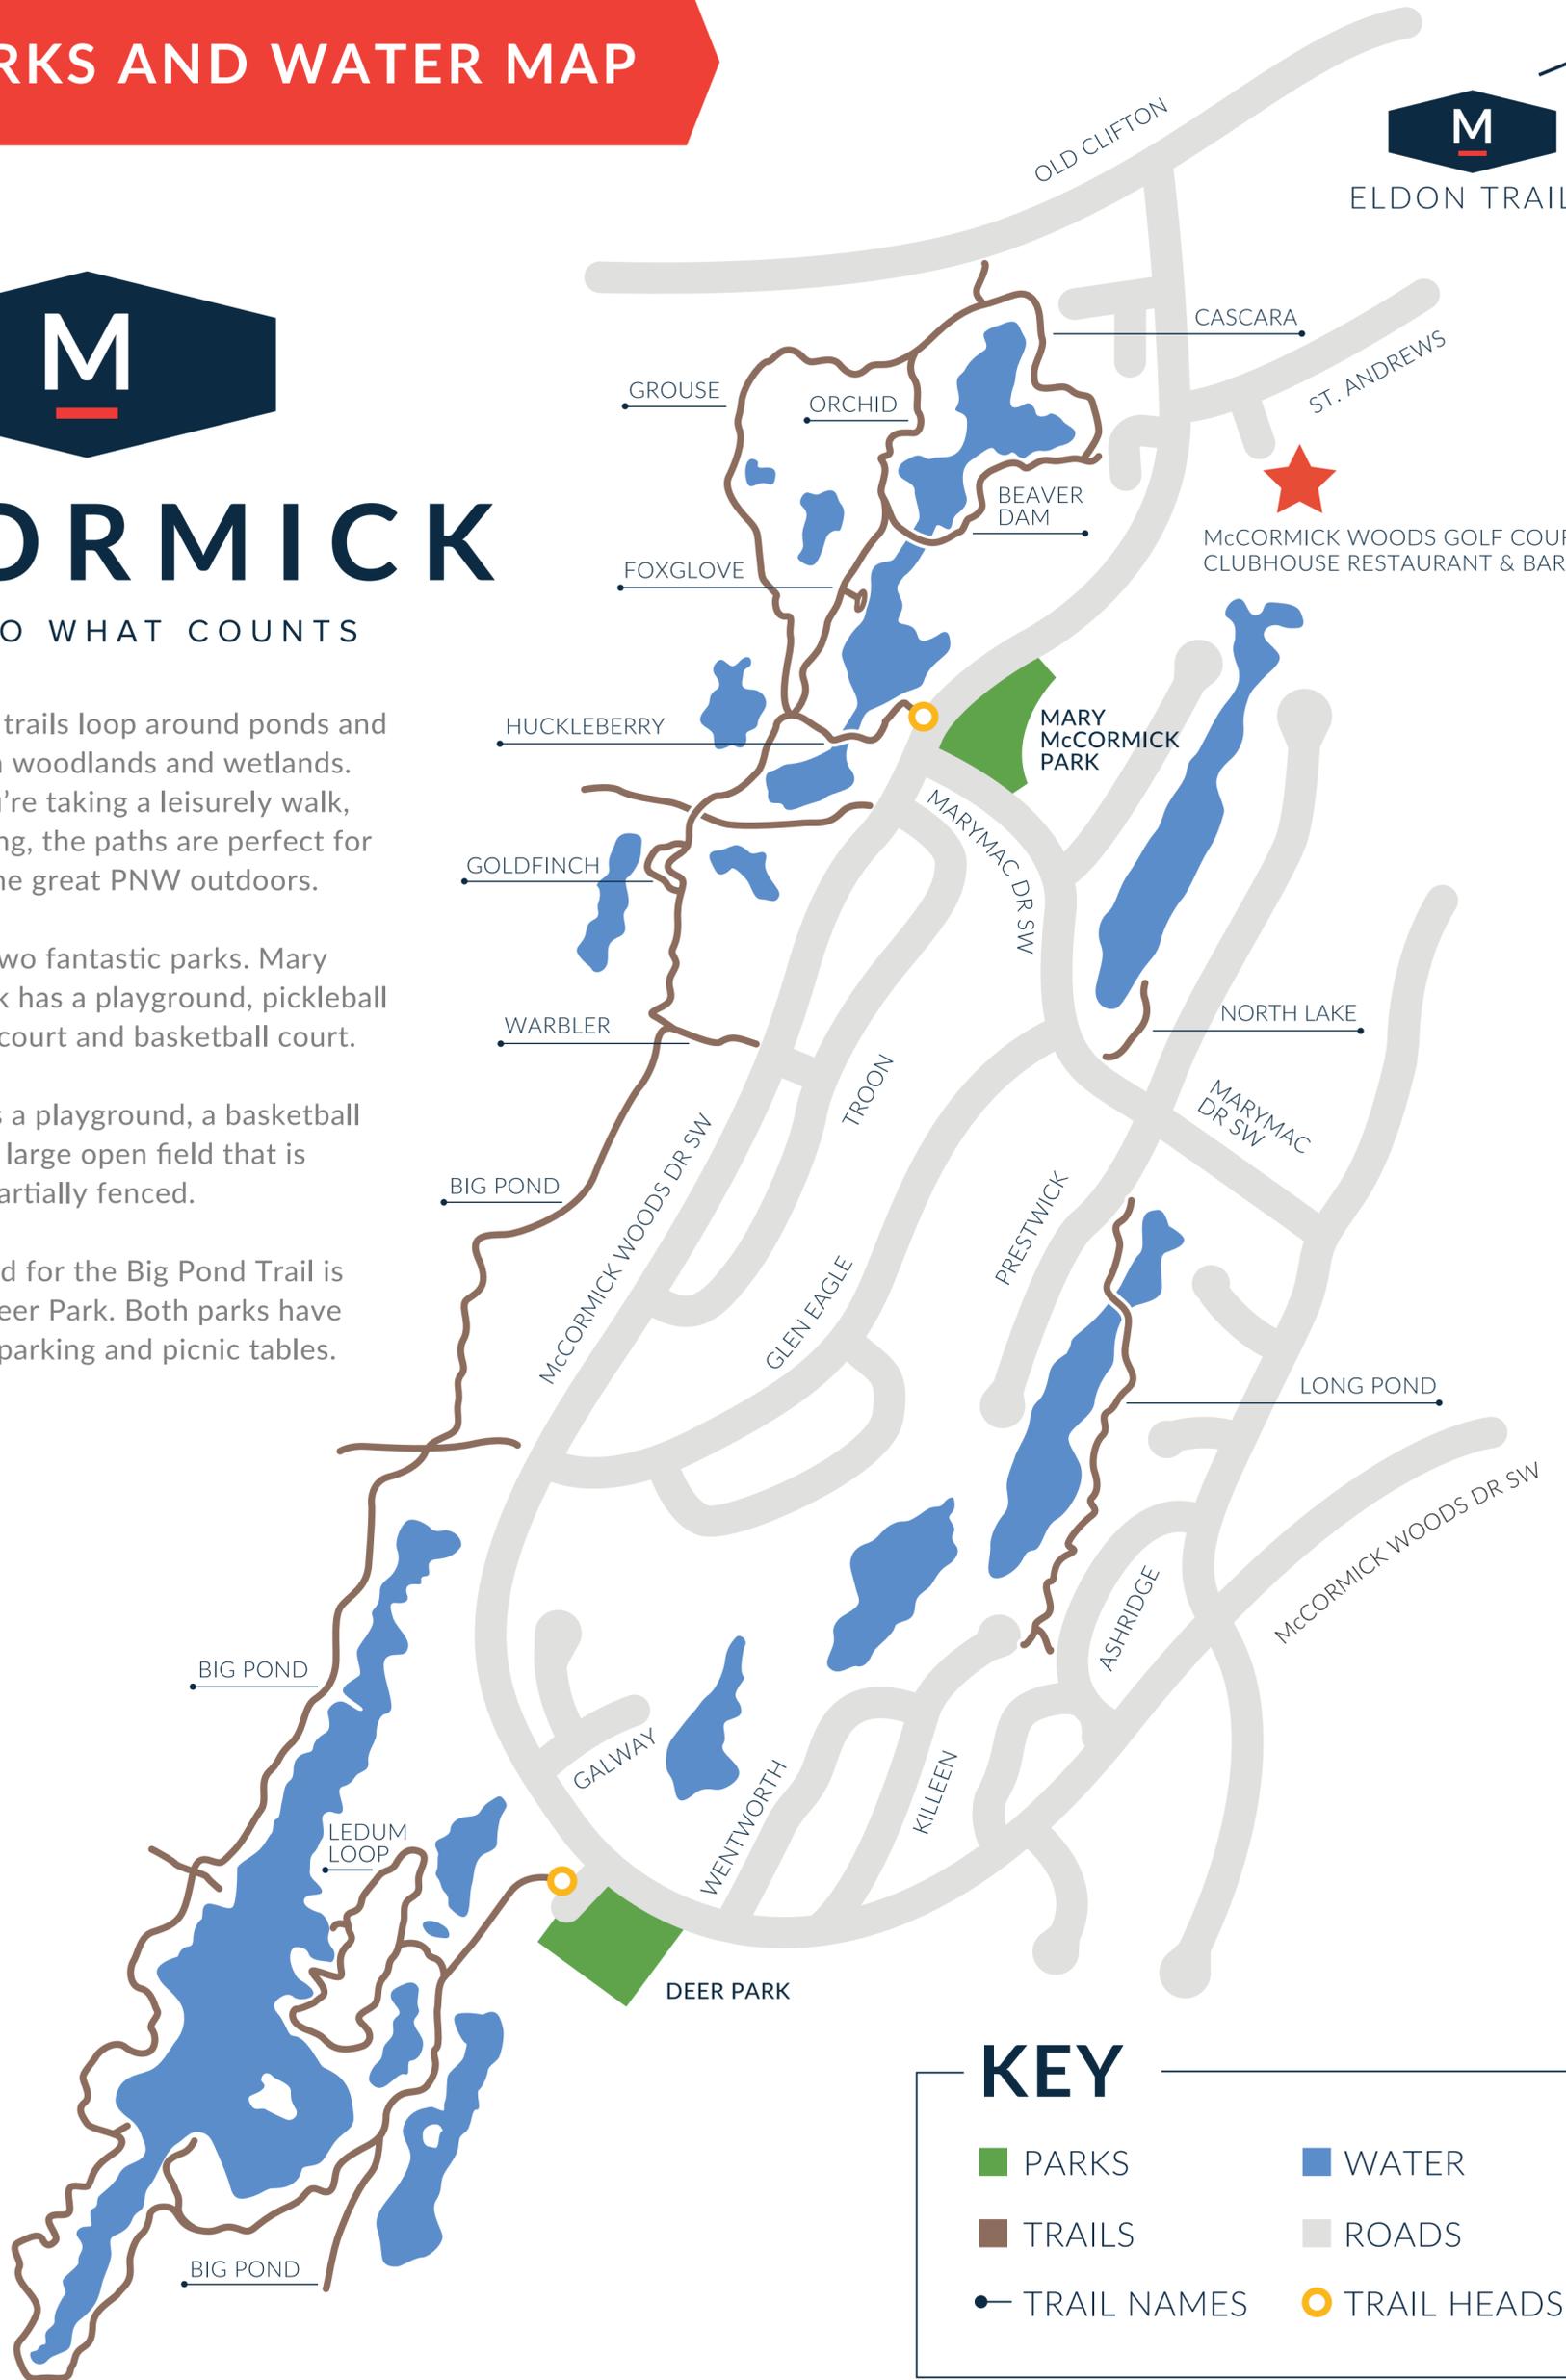

CLOSE TO WHAT COUNTS

Over 7 miles of trails loop around ponds and wind through woodlands and wetlands. Whether you're taking a leisurely walk, jogging or biking, the paths are perfect for enjoying the great PNW outdoors.

There are two fantastic parks. Mary McCormick Park has a playground, pickleball court, tennis court and basketball court.

Deer Park has a playground, a basketball court and large open field that is partially fenced.

The trail head for the Big Pond Trail is located in Deer Park. Both parks have convenient parking and picnic tables.
